Call for Posters - 2024 Ocean Decade Conference

As part of the 2024 Ocean Decade Conference, we are inviting submissions of Posters focused on initiatives, projects, organizations, or groups that work to contribute to the fulfillment of the Ocean Decade Challenges and enhance cooperation and collaboration within the Ocean Decade. Of particular interest are posters that showcase efforts that aim to bridge across disciplines, sectors, and thematic areas while also promoting equity, diversity, and inclusion.

Posters will be exhibited in the Banquet Hall of the main conference venue, the Barcelona International Convention Centre (CCIB). Posters will be exhibited throughout the duration of the Conference from 10 to 12 April 2024. Oral poster sessions will be organised during lunchbreaks of the Conference.

If you are interested in submitting a Poster proposal, please first read the Poster Guidance Note and then fill in this form before 23.59h CET on 1 December 2023.

To help you in the process, PDF and Word versions of the application form can be downloaded here.
