*Briefing: UNESCO-IOC 2024 Survey of Capacity Assessment of
Tsunami Preparedness in ICG/IOTWMS Member States, 22 May 2024*

Survey Structure

The survey has six (6) distinct parts, which may need inputs from different stakeholders based on their national responsibility in the end-to-end tsunami warning and mitigation system.

1. Basic Information
2. Risk Assessment & Reduction
3. Detect, Warning & Dissemination
4. Public Awareness, Preparedness & Response
5. Tsunami Ready Recognition Programme
6. Narrative

Parts I - III

| Part | Topic of the Survey | Stakeholder Inputs |
|------|--|--|
| I | Basic Information: TNC/NTWC/TWFP contact details | Tsunami National Contact Secretariat will follow up separately to formally incorporate any updates on Member State nominations of the TNC through official channels. |
| II | Risk Assessment & Reduction: Hazard Assessment, Risk Assessment, Policies, Plans, Guidelines | Inputs to be obtained from the Disaster Management Agency and/or other agencies responsible for Hazard / Risk Assessment in the Country |
| III | Detection, Warning & Dissemination | Inputs to be obtained from the National Tsunami Warning Centre and/or other agency responsible for the generation and dissemination of tsunami early warnings within the country. |

Parts IV - VI

| Part | Topic of the Survey | Stakeholder Inputs |
|------|---|--|
| IV | Public Awareness, Preparedness & Response: SOPs, Evacuation Infrastructure, Tsunami Exercises, Public Awareness | Inputs to be obtained from the Disaster Management Agency and/or other agencies responsible for public awareness, preparedness, and response in the country. |
| V | Tsunami Ready Recognition Programme (TRRP) | Inputs to be obtained from the Tsunami Ready Focal Point (TRFP) and/or other agency responsible for the TRRP or other recognised similar initiative in country. |
| VI | Narrative: Important development since the last report and summary of future plans | Tsunami National Contact |

Online Survey

- The survey is being conducted online using the Survey Monkey platform.
- Unique online survey links were shared with all Tsunami National Contacts on 16 May 2024 (last Thursday)
 - Subject: Survey of Capacity Assessment of Tsunami Preparedness in the IOTWMS Member States
 - From: iotwms@unesco.org via SurveyMonkey <member@surveymonkeyuser.com>
- The survey is passport protected. The password was also shared with TNCs on 16 May 2024 in a separate email from n.gale@unesco.org
- To date,
 - 14 Member States have opened their survey
 - 10 Member States have not opened their survey
 - 1 survey email notification has bounced. I have emailed the TNC (Timor Leste) to request an alternative email ID to send the survey link to.
