Hernán Troisi**

**unesco**

Intergovernmental  
Oceanographic  
Commission

## Progress Towards the Mandate

---

**unesco**

Intergovernmental  
Oceanographic  
Commission

Monthly meetings since December.

Review of all materials in Mandate and interview of one network

Started to identify possible material impacts from Member States and GOOS Observing Networks

## Next Steps

---

**unesco**

Intergovernmental  
Oceanographic  
Commission

Follow up with Networks to clarify material impacts

On-going Monthly meetings to start looking for  
diagnosis of material impacts to GOOS
